Highlights from the 2019 Annual Congregational Meeting

We met on January 27th for a wonderful lunch (Thanks to all responsible!) and for our QALC Annual Meeting. Some 51 voting members registered their attendance at the meeting. Full reports are available in the meeting folder which will soon be in the Members Area of our queenannelutheran.org website.

We approved minutes from the 2018 Annual Meeting and from the two additional Congregational Meetings held in 2018. Highlights from their reports were presented by Terry Anderson, Children and Family Ministry Coordinator; Kirsten Erickson, Church Council President; and by Pastor Dan Peterson.

Treasurer Myra Dittes presented the report of 2018 receipts and expenditures, which was approved as presented. Receipts from all sources were above projections by \$14,804; expenditures were \$51,578 below projections for the Cantor budget (due to our not yet finding a permanent Cantor) and \$6,499 below projections for all other areas. As a result, there was a \$72,881 ending balance in the General Fund that has been allocated toward 2019 expenses.

Dan Squires presented the Audit Committee report which validated select entries and balances in the General Fund, Parsonage Fund and Endowment Fund as well as the QALC Women's Fund.

Marc Oplinger presented the Nominating Committee Report. He thanked outgoing council members Kirsten Erickson, Jacqui Darroch, Jennifer Jones and Dolly Smith.

The slate of candidates was approved as presented. See next page for our new list of those elected and continuing in their service.

Two revisions to our QALC constitution and by-laws were approved: Change in the minimum number of elected council members from nine to seven (in addition to the pastor and the four congregational officers) and change of the maximum ceiling for council financial obligations in excess of anticipated receipts from \$5,000 to \$10,000. It was clarified that "anticipated receipts" are defined here as equal to the total Expenditure Guidelines, since the guidelines include expected receipts as well as expected expenses.

Rich Mathes presented the proposed 2019 Expenditure Guidelines totaling \$517,438. This figure compares to 2018 Guidelines of \$431,262 and actual expenditures of \$373,185. Differences in these amounts reflect our having had a temporary Cantor in 2018 and planning for a permanent Cantor in 2019, as well as a number of smaller differences. Rich noted that the Anticipated Total Receipts of \$517,438 include the \$72,881 General Fund 2018 surplus and a 9% increase in Sunday offerings. It can be estimated that the large amount of carry-over funding will not be available in 2020 and that receipts from a multi-year pledge will continue to decrease as planned, necessitating continued and increased giving from our congregation. The 2019 Guidelines for Expenditures were approved as presented.

Many people have contributed to the mission and work of QALC over the past year. Throughout the meeting, thanks were given for everyone's stewardship of time, presence and finances. There is much to celebrate from 2018 and much to look forward to in 2019 and beyond!

—Jacqui Darroch, Outgoing Council Secretary

WHAT IF?

It was a surprise to find out that, in my lifetime, there was a time when African-Americans were not allowed to get a library card! I'm so grateful that someone asked "What if ALL people get a library card?" and worked to make it happen.

The small group of **ForKids** is actively involved in learning and service, participated in eight service activities last year and certainly made a difference. But it's also important to look ahead.

WHAT IF service activities became intergenerational? WHAT IF we worked together with people in neighborhood to serve a need in our community? WHAT IF we got to know our neighbors and worked together on something to make our community a better place?

Motivated by questions and ideas from Nancy Fulweiler and with encouragement from Pastor Dan, I met with the principal at Coe Elementary to get suggestions how we might get involved in activities for kids/with kids in the community. It was an insightful baby step.

Anyone curious to see where WHAT IF'S may lead? If so, would YOU join a focus group to get the ball rolling? We're looking for interest in exploring the neighborhood needs as well as meeting needs right here at QALC.

At QALC:

- 1. To plan the Egg Hunt with a Difference, a service activity in which **ForKids** and community families participated last year.
- 2. To get to know the caregivers in our Nursery, and share ideas to make the Nursery environment safe and fun.

In our neighborhood:

- 1. To research service activities available and consider how **ForKids** and neighbors could work together in service.
- 2. To identify a few needs in our neighborhood and consider ways to work with neighbors towards meeting them.

Things can happen when people GET INVOLVED! These are <u>short-term focus groups</u>, and you're invited to sign up on the clipboard in the narthex to offer a little help!

—Terry Anderson

ForKIDS **Happenings In February**:

- February 10 Meet at 9:30 in John Room upstairs.
- February 17 No **ForKIDS** for President's Day Weekend.
- February 24 Meet at 9:30 in John Room upstairs.
- A survey will be sent out to all families with children to help us focus our children's ministry and keep in mind the needs of families.
- The Blessed to be a Blessing Jar will take a break. BUT keep on saving your change for the Egg Hunt with a Difference. There is a donation jar on the small table by the entrance to the sanctuary, and the change will be used to "buy" animals from ELCA Good Gifts.

ANNOUNCEMENTS:

Hot Off the Press: New Church Directories!

Our newly-updated Directory of Members and Friends is now available in the narthex and church office. Note the "Members and Friends"—that means, if you are active in our community but have not yet officially joined the church, you are welcome to be included! The directory helps us connect with one another, and is a service to us all when we need to match names and faces.

If you notice an error in your listing, or wish to be added to the directory, please contact Barbara in the church office (admin@queenannelutheran.org, 206-284-1960). And if you would like to have your photo added to that rather eclectic mix, just send it to Barbara—we already have a few late arrivals and missed submissions, so an addendum page will probably be out by month's end!

2019 Bishop Election— Please Take the Synod Survey!

In preparation for the nomination process and election of a Bishop at the May 17-19 Synod Assembly in 2019, please remember that the Northwest Washington Synod is engaged in a call process and keep the Synod, its leadership, nominees, voting members, and everyone involved in its ministry in your prayers.

The Synod would like congregational members to participate in its survey, and asks that you please complete it by February 16. <u>Synod Survey Link</u> - (https://www.research.net/r/NWWashingtonSBE) This link has also been sent out in our Friday email updates.

Online at www.lutheransnw.org/bishopelection, you can find the following information:

- Bishop Unti's letter stating that he will not be seeking re-election; (The Synod will offer appreciation for his service on Friday afternoon of the assembly.)

Come on a Winter Outing!

Our winter outing will be on Saturday, March 2. We'll meet at Alpental at 9AM at the base of the ski slopes at the lodge. Snowshoeing, downhill skiing, or just enjoying hot chocolate in the lodge are available. Most of us will be snowshoeing, but some have said they will ski. I will lead a group on a 3 mile round-trip walk on the Snow Lake trail. That trail head is located at the north end of the main parking lot.

Snowshoe rentals are available at REI for \$26 for the day. You get an extra day to pick up the snow shoes and again later to drop them off at REI in addition to the day that you'll be using the snowshoes. If you don't want to deal with the REI zoo, try Second Ascent in Ballard. I recommend reserving your snowshoes in advance.

My skill level is beginner, so don't be intimidated because the outing will be easy going. It'll be kid-friendly, too. The goal is to get out in the fresh air with friends and have fun.

Front Door Handle Update / Notes About Exiting

Many thanks to Al Mangold, who repaired the missing handle on the eastern narthex front door (using a new, larger screw). Now that we know how to access the screws—especially what hardware needs to be removed—we may be able to repair things sooner if we have another loose handle in the future

Many of you are aware that both the front doors have not always fully locked when you exit the narthex. Thanks again to Al, the western door (right side as you exit the narthex) locks now seem to always engage. I suggest you exit using that western door to ensure the doors are locked. If you exit using the

eastern door, and you expect it to be locked, please *push* on the door after you are outside to ensure the locks have engaged. Pushing, rather than pulling, might help extend the door handle's life.

INQUIRING MINDS WANT TO

There's a Members Area on our website????

Yes! In addition to the public sections of our queenannelutheran.org website, there is a members' section with information you may find very useful.

The Members Area is in the bottom right corner of our website. It requires a login, which you can get or update by contacting Barb Bash in the church office.

What will you find in the Members Area?

- The Church Directory of Members and Friends, just recently updated with photos added to our contact information.
- The QALC Constitution
- Annual Reports of our congregation
- Forms for getting reimbursed or for reserving a room in the building
- And more . . .

What Happens to My Prayer Request?

Do you have a prayer request? Write your request on a blue pew card during worship, and place it in the offering plate or give it to the pastor. You may also call or email the church office to leave a prayer request, and it will be given to Pastor Dan. When we receive a prayer request, it is helpful to know if you would like this prayer to be included during Sunday worship in the weeks following, and/or if you would like the request sent out to the church e-mail Prayer Chain. Pastor Dan can reach out to you when he sees your request, and we will not make a request public unless you ask to do so.

Please help us keep prayer requests up to date.

If not updated, prayer requests will be considered for removal after four weeks. We realize some hardships are ongoing, and renewing a request for prayer in such a case is supported. You can renew or discontinue requests by contacting Pastor Dan or the office.

Please obtain permission from the person concerned before publishing his or her name.

What's going on at Church Council?

You can always ask any council member (see page 4 for our 2019 Council members) or Pastor Dan!

And, you can read council materials yourself. Monthly financial reports, council meeting minutes and pastor's report are posted on the bulletin board near the sacristy and the side door into the sanctuary.

Check them out!

What's the Prayer Chain?

It is simply an e-mail group of members who have asked to receive prayer requests, so that they may each include them in their personal prayers at home, and keep apprised of members who have hardships. If you would like to become part of our Prayer Chain, simply call or email the church office and Barb will add your name to that e-mail group. (And if you would like to be part of the Prayer Chain but don't use email, let us know and we'll arrange for you to get a call.)

How often have we looked forward to a snow day, when you can't get out and everything comes to a stop? You think, "If only I had one day without any commitments—no work, no appointments. I could get so much done!" An email arrived in my mailbox from the WELCA—Women of the Lutheran Church of America. I thought the thought was very appropriate for our busy lives:

"We know our giving is in our serving one another in community. Centering our life means we won't get to everything on our to-do list. It means we will trust God's guidance and give up, humbly, our most earnest agendas."

THANKSGIVINGS:

In January we mourned the passing of Don Sobeck, who died on New Year's Eve. Many thanks to those who gave support to the Sobeck family, especially to those who helped plan and assisted at the well-attended memorial service and who graciously hosted the lovely reception.

Thanks also to those who organized and participated in the clothing drive for Queen Anne Helpline. The Social Concerns Committee, spearheaded by Jim Margard, and Terry Anderson and all the ForKids

kids, oversaw a bake sale fundraiser and (at press time—more donations are still coming in—) the collection of 183 pairs of socks, 12 coats, 5 scarves, 31 pairs of gloves and 25 hats!

Our Annual Meeting on January 27 was supported by a busy crew of lunch-providers and clean-up volunteers, and thanks are also due to all the committee chairs and church leaders who provided reports, crunched numbers, created proposals, and led the discussion—and we are grateful especially to all those who participated by attending the meeting!

"Manna & Mercy in the Wilderness"

Our Redeemer Lutheran Church invites us to participate in these sessions presented by Dr. Fred Niedner. There is no cost, outside of a freewill donation for lunch. Our Redeemer (the same church our LWR Ingatherings take place) is located in Ballard at 2400 NW 85th St. and can be contacted at 206.783.7900.

TEACHER IN RESIDENCE - Dr. Fred Niedner - Friday, February 8 - Sunday, February 10

Fred teaches regularly at Holden Village and was a professor of biblical theology for 40 years at Valparaiso University. He is beloved for his incredible gift of explaining the culture and context of Bible stories, to reveal how human they are, and the depth of grace existing within them.

"MANNA & MERCY IN THE WILDERNESS"

This February, in the wilderness of winter, and also in the wilderness of our unsettling and confusing times, Fred will teach and preach on the great biblical story of how the people of Israel wandered for a generation in the wilderness, from bondage to freedom. Throughout, they complained and threatened to return to slavery, experiencing both the presence and absence of God. This is our story, too. It offers us guidance, resources and promises for our own personal and community wilderness trek.

Schedule:

Friday, February 8:

6PM ~ Welcome Reception and Appetizers

7PM~ Session 1: How to Recognize a Wilderness When You've Stumbled into One

Saturday, February 9:

10AM ~ Session 2: Are We Alone Here? The Words and the Word in the Wilderness

Noon~ Lunch - Provided; Free-Will Donation (suggested \$10)

Bíshop's Message

By the Rev. Kirby Unti, Bishop, NWWA Synod From the February 2019 edition of The Spirit

Connecting the Dots

I have thought many times about my trip last year to Standing Rock to stand in solidarity with our Native American brothers and sisters as they fight to protect their lands and waters.

I will never forget how the Standing Rock people spoke of their sacred land. Their relationship with the land is very personal. They understand the earth is their mother. The soil is the womb of the mother. The rivers, lakes and sea are the amniotic fluid. They were there with tribal representatives from around the world not to protect their property, but to protect their mother's womb and the fluids that make for life.

It was so clear to me how they live in relationship with the land and water. Relationship for them is about seeing themselves as a part of the earth—not separate from it or in any way above it. Their relationship with the land is very mutual—each knowing they rely upon the other for their very existence.

Compare that to how we have treated the earth in the Western world. Often, we see the earth as an object that we are free to exploit. The earth is there for our use and benefit. It becomes our property and our possession, and we have monetized every part of it.

It is only in recent times that we come to the realization that we are severely harming the earth and may be pushing her beyond her capacity to heal and renew herself. The rate of decline of the polar ice cap and the increase of carbon dioxide into the air is alarming. We are noticing the damage in the rising of both temperatures and the seas. Our Lutheran Church in Shishmaref, Alaska is faced along with the whole town with having to relocate as the seas continue to rise.

Luther would find this to be very disturbing because he believed so strongly that God is embedded in all the creation—even in the tiniest tree. Just as we are called to love our neighbor, we are called to see the creation as sacred and to be in relationship with it.

When we do not honor our relationships, we cease to live long in the land.

I am starting to connect the dots—I see that we in the West have not only become separated from the land, we have become separated from our neighbors. I believe this separation is one of the leading forces that is dismantling the church as we have known it.

In too many cases we no longer see our neighbors as subjects to be highly regarded. We see our neighbors as objects to be used for our benefit. Exploitation not only will destroy the earth, it will destroy the church and the communities in which we live.

Our Living Local movement invites us to overcome the gap that exists between us and our neighbors. The movement invites us to come to know our neighbors. It is all about entering mutual relationships of caring and serving together.

One of the classic definitions of sin is separation—when we become separated from God and neighbor and are turned in on ourselves.

Might I suggest we all need to get our hands in the dirt and discover once again Mother Earth. Might we care for her, deeply respect and honor her, and learn how to live in relationship with her. And might we come to know our neighbors, care for them, deeply respect and honor them and learn how to live in relationship with them. +BKU
