

+ SUNDAY +

The Road to Emmaus

Read the bible lesson Luke 24: 13- 35

Or tell the story as suggested on this link:

Color the picture either together or individually, and say the words to everyone in the family: The Lord be with you. And also with you.

Things to do/think about during the week:

+ **MONDAY** Take a nature walk and name plants/things you see. If it's raining, watch <https://www.youtube.com/watch?v=f84OF62W-jw> to learn the name of plants. No words, just music. Thank God for a beautiful world.

+ **TUESDAY** Do an activity from info sent earlier in the week to get ready for Earth Day. What cause speak to you?

+ **WEDNESDAY** Celebrate Earth Day with your family (see suggestions sent earlier in the week) and do the Earth Day Word Search.

+ **THURSDAY** Learn a church song to sing while washing your hands. See suggestions after the Word Search.

+ **FRIDAY** Make a band with your family using whatever you can find (a pot for a drum, lids for cymbals, forks and spoons, etc. and make a joyful noise to God. You might even try singing some of the suggested hymns.

+ **SATURDAY** Write down some places you have seen God while you've been at home, and share them with your family. Did any of these surprise you?

+ AND THEN IT'S SUNDAY AGAIN! +
