

We need your help . . .

- with the Mandala
- with sweeping

- **Mandala**

We want to keep on changing it. If you'd like to give it a go, let's talk about it. I can help if your family comes wearing masks. We can use chalk, the rocks we have or rocks you paint.

- **Sweeping**

Could your family adopt a week during the month to sweep the sidewalk one day during the week? With a lot of leaves, needles and blooms on the entry sidewalk, God's house looks kind of deserted.

If you can help with either or both activities, contact Terry and let's talk.

THANKS
